Prices and Risk explained:

Minimum = minimum trophy size as required by Namibian Quality Control.

Bronze, Silver, Gold = sizes of trophies as stipulated by Namibia Professional Hunters Association in accordance with Safari Club International (SCI). please find measurements here ([please click](#)).

Hunter wants lesser trophy, but guide misjudges and trophy size falls into expensive category - hunter pays for lesser trophy only.

Hunter wants optimal trophy, but guide misjudges and trophy is smaller as expensive category - hunter pays for lesser trophy, but has to pay for animal.

Animals wounded will be charged.

If a hunter agrees on an individual package of a few animals (some do this due to a better rate) and an animal of the package could not be hunted - we will credit the hunter with the amount as on regular price list. You pay for what you shot only.

Arrival and Departure days will be regarded and charged as non-hunting days. We mostly test and set rifles and organize trophies on these days.

We charge an additional service fee of \$17.00 per Trophy. This includes: Tip for our workers (tracking, skinning, room and kitchen workers). Please do not tip directly.

We do not accept credit cards!

We only accept cash in any of the following currencies: Euro, U\$, Rand, N\$, Pound Sterling and Bank transfers (payable before arrival). Deposits are to be paid.
